## LOCAL CLUB – GNI AFFILIATION QUESTIONNAIRE & AGREEMENT

The undersigned club, recognizing its mutual interest in gay male naturism with **Gay Naturists International Inc. (GNI)**, enters into this agreement with **GNI** to be listed in **GNI**'s publications as an "**Affiliated Club**." Your club may also list itself as a "**GNI Affiliated Club**" in its literature and publications.

**GNI** asks only that you indicate by signing this agreement that your club's principal function is as a male naturist club, and that you agree to a mutual exchange of newsletters with **GNI**. Exchange of your newsletter with other clubs in your region is encouraged, but not mandatory. You must also acknowledge receipt of a copy of the **GNI** By-Laws. Furthermore, you have the right to designate a representative from your club to an Advisory Council which **GNI** could form to provide input to **GNI** on local club issues. I understand that by receipt of written request this agreement may be terminated by either party at any time.

**GNI Listing and Affiliation Policy** – It is **GNI**'s policy to list and consider for affiliation any nudist – naturist club that purports itself to adhere to naturist principles and policies, i.e. the club's principal purpose is not to promote sexual activity, but to promote Naturism among some segment of the population. **GNI** further seeks reciprocity in exchanging newsletters with listed clubs and in addition, stipulates that being listed by **GNI** confers no geographical exclusivity to any region to any listed club. Being listed or affiliated with **GNI** should not be construed to imply an endorsement by **GNI** of any particular club or its own internal policies, which **GNI** recognizes are purely under the control of each individual club listed or affiliated with **GNI**. (*From the By Laws of GNI*) (Adopted Aug. 26, 1994).
